## **CAPABILITY STATEMENT**

### **Business Summary**

Premier Factory Safety (NWBOC, WBENC) is an OSHA compliant company with over 20 years of experience as a safety consulting firm. Specializing in machine specific Lockout/Tagout, our firm maintains its competitive advantage based on customer service, quality, a five year price guarantee and a 10 year warrantee.

### **CAPABILITIES**

- ◆ Increase production value while reducing downtime in your facility resulting in cost saving and an improved bottom line
- ◆ Utilizing equipment specifications and plan procedures to develop customized maintenance visuals covering all planned maintenance activities
- ◆ Visual instruction placards increasing efficiency, productivity, quality & safety
- ◆ Evaluating workstations and assisting supervisors in performing hazard assessment required by OSHA regulations

### **OBJECTIVES**

- ◆ Implement a safety/training program
- ◆ Improve productivity and efficiency
- ◆ Meet requirements of OSHA regulations
- ◆ Update and enhance your current safety program
- ◆ Develop a corrective action plan as a result of citation/audits

### **Differentiators**

- ◆ ISO process-driven approach to project management, implementation and customer relationship
- ◆ Our own Factory Solutions software, giving customers the freedom to manage evolving processes digitally.
- ◆ A patented Visumount® process: Starting with high quality prints which are mounted on a durable Sintra plastic and laminated providing superior protection
- ◆ Certified: NWBOC, WBENC and ISO 9001:2008

### **Top Clients**

- ◆ Amazon
- ◆ Ford Motor Company
- ◆ Navistar
- ◆ Emerson
- ◆ Aerojet Rocketdyne
